Campus Quilts (Louisville, KY) has agreed to donate the construction of a t-shirt quilt in exchange for an ad in the program and a link on our website and Facebook page. They will be sending a kit so we can get them what they need. Rathz said she would like to do this as a raffle through the entire concert series and give the quilt away at the last concert.

- Price of tickets? *The group decided \$1.00 each or 6 for \$5.00*
- How do we sell tickets? *It was decided to sell tickets at all the concerts and at the last concert the quilt would be given away.*
- Do we need a gaming license since we are raffling it off? *Pavey will have McCane check on this when he applies for liquor license.*

- Any t-shirts you have would be appreciated. *Anything with the City of Rushville on it will be used to make the quilt.*

Not sure of layout yet.

Elvis performance time? *Not sure at this time.*

Sound system? *Cain will take care of this.*

Background music and cake walk? *Cain will take care of this.*

Petting Zoo? *The group decided this was a big hit last year and to do it again this year.*

P. Stout stated she would like to stamp kids hands once they have played a game. Once you have played the game you have to move on, that way more kids will be able to play and win prizes instead of one kid continually playing and winning all the prizes. The group felt that was fair enough.

It was decided to have Asbury ask the Boy Scouts again this year to help Peggy with the games.

Sharpe stated she called United Pork Producers concerning the hogs for Community Day and he is to get back with her.

McCane is meeting with Monarch Beverage concerning printing posters and banners. They would like to be more involved this year.

Pavey stated he will again work with McGowan to get the Sponsor Thank You letter in the paper.

Pavey stated he will work with Sharpe to get the Sponsor Donation letter finished.

Sharpe reported that City Maintenance man Kirk Wildey is going to build a display to hang posters from previous concerts on the walls of the green room. The total cost is to be around \$50-\$60.

Rathz will continue research on the window clings. These window clings will be mailed to all sponsors to put on their windows displaying that they are a 2011 Amphitheater Concert Sponsor.

Sharpe asked group if they want to sell T-Shirts again this year. The group decided yes as we made \$433.55 profit last year. It was decided not to do tie-die shirts this year but to go with just one solid color with the Riverside Park Logo on it.

Macy stated he feels the Staff shirts this year need to be more professional looking. He feels we need to stand out. The group decided to maybe go with a polo or some sort of a collar shirt. Fussner will do some research.

Pavey reported that Campbell Brothers did find us a trailer for storage and transport.

It was decided to go back to having two meetings starting in March. The meetings will be on the second and fourth Monday's of the month. The next meeting will be March 14th.

There being no further business, the meeting was adjourned at 7:45 p.m.

Respectfully submitted,

Carla Sharpe, Secretary
Executive Committee
